

## *Congratulations*

**Dr. William Vincent Burke**

*Orthopaedic Surgeon of the Year 2019*

This prestigious award is given annually by the Arthritis Foundation in recognition of clinical excellence, dedication and commitment to patients.

William Vincent Burke, M.D. is an orthopedic surgeon specializing in adult joint reconstructive surgery of the knee and hip, including revisions of total hip and knee replacements. Certified by the American Board of Orthopaedic Surgery, Dr. Burke is a member of the American Academy of Orthopaedic Surgeons and the American Association of Hip and Knee Surgeons. Dr. Burke has nearly two decades of clinical and surgical experience, which include over 7,000 primary and revision surgeries in hip and knee replacement. Dr. Burke received his training at UM and Jackson Memorial Hospital as an intern in the department of surgery and as a resident in the department of orthopaedics and rehabilitation. In furthering his training, he completed a clinical fellowship in adult reconstructive surgery at Anderson Orthopaedic Research Institute in Alexandria, Virginia. Dr. Burke holds a Bachelor of Science degree in biomedical engineering from Case Western Reserve University in Cleveland, Ohio, and his medical degree from the Case Western Reserve University School of Medicine. Extensively published in medical journals, Dr. Burke brings experience, innovation and inspiration to the Holy Cross Orthopedic Research Institute, Fort Lauderdale, FL, (954)958-4800.
